In accordance with Vytautas Magnus University Rector's order of June 27, 2007, No. 618, master thesis papers, doctoral dissertations and their summaries (hereafter – ETD documents; this abbreviation is used to identify the mentioned documents) must be submitted to the catalogue of electronic documents (ETD IS) of master thesis papers, doctoral dissertations and their summaries or habilitation papers.

Authors are required to submit ETD documents 6 working days before their defence, using intended user's interface.

# ETD SUBMISSION INSTRUCTION (FOR MASTER DEGREE AND DOCTORAL STUDENTS)

## LOG IN

Open Lithuanian ETD IS website <a href="http://etd.elaba.lt">http://etd.elaba.lt</a> and choose "ETD submission". Log in choosing institution – Vytautas Magnus University, user name and password ( user name – your birth date (write three noughts before it), password – 4 last digits of your birth date) that are used in Library information system.

## ETD SUBMISSION

Starting your ETD submission, click "Start submission". On submitting ETD, you are required to fill in information about yourself (author), document, other related persons, paper access status and upload the required files. Dissertation and summary of dissertation should be submitted separately. If you want to correct previously submitted documents, click "Edit" (see <u>DATA REVIEW AND CORRECTION OF REFERRED INACCURACIES</u>).

## INFORMATION ABOUT THE AUTHOR

First fill in information about yourself (author). Name, surname and ID are taken from VMU information system and are not corrected. Institution – Vytautas Magnus University – is chosen from the menu. In the box "Science/qualification degree" write in pursued science degree (e.g. if master's thesis defended – choose "Master's qualification degree", if doctoral dissertation – Doctor's qualification degree). Other data can be filled in automatically, but they may be corrected. After submitting the information about yourself (author), click "Continue".

## INFORMATION ABOUT THE DOCUMENT

In this box submit the information about the document. First indicate type of document and subject, language in which the paper is written. If the paper is written in Lithuanian, its data (title, summary and keywords) should be given in Lithuanian and English. If the paper is written in English, its data (title, summary and keywords) should be given in English and Lithuanian. If the paper is written in other language, its data should be given in the original language, Lithuanian and English. You must write in 3–5 keywords in each language, separating them by commas. Titles must be written according to grammar rules (only proper nouns are written with a capital letter in Lithuanian and English). Indicate the number of pages and the date of thesis defence. After submitting the information about the document, click "Continue".

| <b>ジ</b> Santrauka   | Such situation has a tendency to instigate the formation of the stereotypes of the outgroup. Sometimes some qualities of outgroup can be related with crimes in the eyes of ingroup members. There are several groups of outgroups members. It could be witches, infidels etc.  |  |  |  |
|  | witches, outcast, tolerance, crime  |  |  |  |

## INFORMATION ABOUT OTHER RESPONSIBLE PERSONS

In this box indicate names of supervisors, reviewers/opponents. First write in the data of supervisors, reviewers/opponents: name, surname, e-mail and their functions (description). If you do not know the e-mail, indicate the e-mail of the faculty or department. After submitting each person's data, click "Add". All submitted data should be seen on the list. If you want to correct personal data, click "Correct", for removing - click "Remove". After submitting the information about responsible persons, click "Continue".

## INFORMATION ABOUT ACCESS TO DOCUMENT

In this box indicate the access status to electronic document. Access status indicates how your ETD document is accessible through search systems. One of three access statuses is indicated:

- 1. Free access in the internet, i.e. ETD document is accessible from any computer;
- 2. Access only in institutional intranet, i.e. ETD document is accessible only from the computers of the institution where the thesis was defended, but metadata (data about the document) are freely accessible in the internet;
- 3. Not accessible, i. e. ETD document is not accessible to users, only metadata are freely accessible in the internet;

On choosing the second (access only in institutional intranet) or the third (not accessible) ETD document access, you should indicate access time period. **After limited access period ETD document becomes freely accessible in the internet** (if new agreement about the access status is not signed).

After indicating access status, click "Review".

## **UPLOADING FILES**

In this box upload document file in PDF format. You can convert the initial document file into PDF format using: "Microsoft Word 2007 saving as PDF format instruction"

http://2011biblioteka.vdu.lt/documents/pdf/Word-2007-PDF-instrukcija.pdf

The uploaded files should be named in the following way:

name\_surname\_abbreviation identifying the paper.file format

Abbreviations identifying the paper: md (master's thesis);

dd (doctoral dissertation);

ds (summary of doctoral dissertation);

File format - pdf - is generated automatically.

Examples: name\_surname\_md.pdf

name\_surname\_dd.pdf

 $name\_surname\_ds.pdf$ 

Click "Add file" to confirm file uploading. Access to the main PDF file is determined by the previously indicated access status. Supplementary files can also be uploaded if needed. Supplementary files can have different access status than the main file. All uploaded files must be seen in the table "Attached files". If you want to download the uploaded file, click "Download", for removing – click "Remove". If you uploaded wrong file data, remove the file and re-upload it. After uploading all the files, click "Continue".

## DATA SUBMISSION TO THE LIBRARY

Before submitting data to the library, you can view them once again and correct if needed. If you upoaded all the data fully and correctly, click "Submit data to the library" and they will be submitted for the review.

## DATA REVIEW AND CORRECTION OF IDENTIFIED INACCURACIES

Responsible person will review the data and send the message about inaccuracies (if any) found by e-mail You have indicated. The same information can be found when you log in to the system and click "Messages". For correction of the indicated errors, click "Edit".
